

An Extension Telephone?

An extra telephone instrument connected to your present line is an extension telephone. It costs but a small additional sum and may be located in a different part of the house than the telephone you have now.

In the kitchen an extension enables you to both make and answer calls without leaving the room or deserting the task which you happen to be doing.

In the bedrooms you may telephone in privacy and comfort day or night with an extension telephone.

Our Business Office will arrange for prompt installation or any telephone employee will gladly take your order.

Clear It Up By Long Distance

When in the daily course of business a question arises which requires information or a decision from some person not in town, turn to the Long Distance telephone. No matter how far away this man may be he can usually be reached in a short time over Bell lines.

Illinois Bell Telephone Company

It's worth the price — and more!

Most folks have a telephone; some have two, or more. If YOU haven't, think of what you miss.

In companionship . . . In comfort . . . In freedom from worry . . . In convenience . . . In social activity . . . In the hundreds of ways a telephone can serve you.

For the small sum a telephone costs, you cannot afford to deprive your home of one.

Any telephone employee will gladly take your order.
